

Matters Test Scenarios

When testing for any App, Tool, report or ... *anything*, it is good to do this systematically.

For this purpose, we have set up a new link on Frontline Apps as follows.

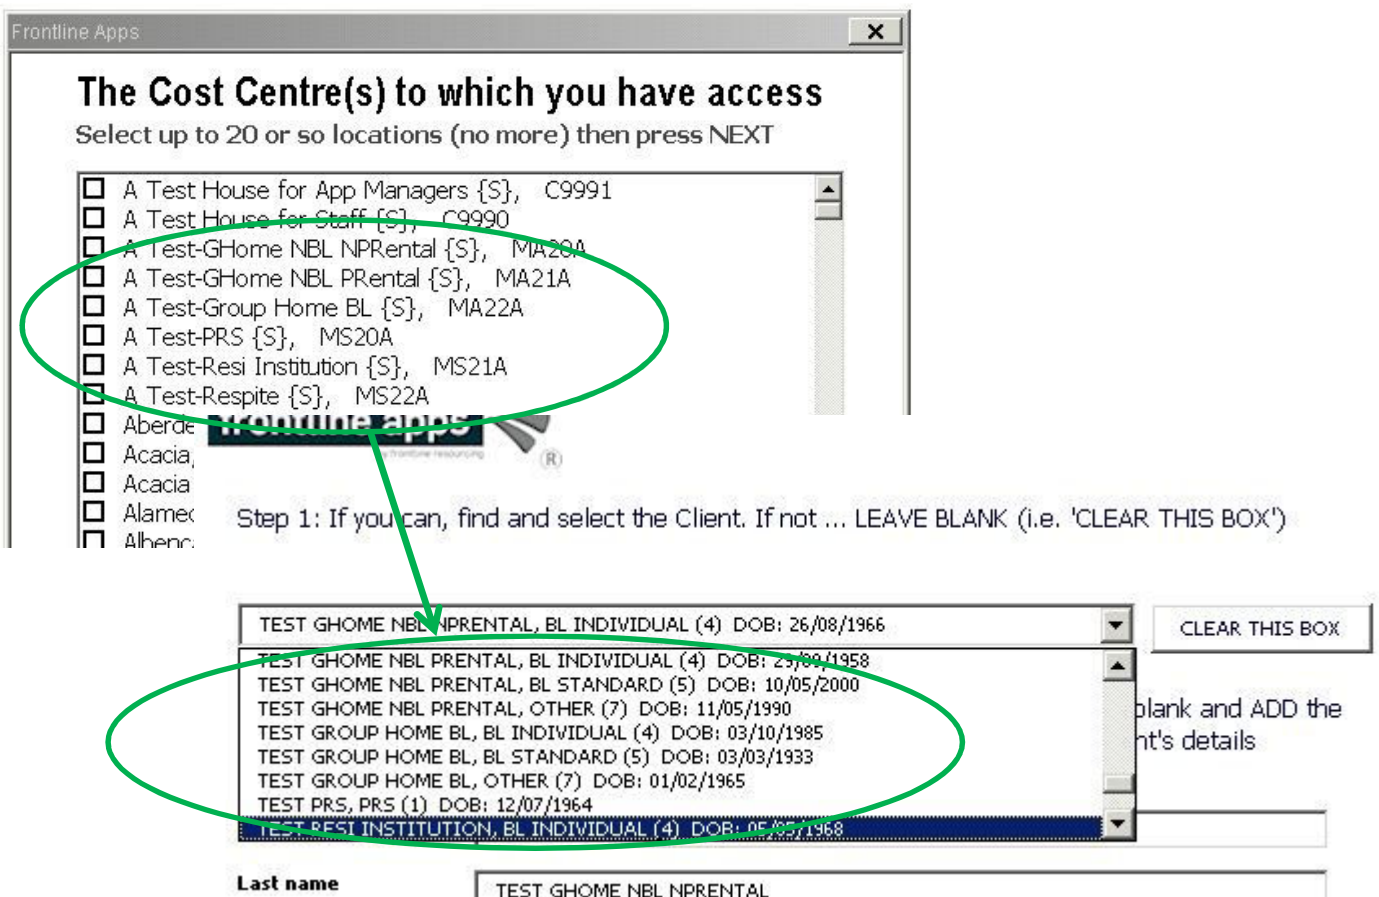

The screenshot shows the 'Workflows and Settings' section of the Frontline Apps interface. Under 'Active Settings', several links are listed: 'Lists and Permissions Control Tool', 'Reato Roster Cost Parameters', 'Reato Roster Export Settings', 'Bisset-Hart Workflows Dashboard', 'Gazettal Numbers', 'CFRS Resident Fees App', and 'Matters Test Scenarios'. The 'Matters Test Scenarios' link is circled in green. A green arrow points from this link to a table of resident data.

This takes you to a sample real life resident that covers EVERY possible combination of House Type / Resident Category. Step through these residents in your App, and you will have covered every scenario.

New! As an extra layer on this, we have also set up combos of FAKE residents in FAKE houses covering a wide range of Test Scenarios, for whom you can actually process FAKE data. As follows.

The screenshot shows a dialog box titled 'The Cost Centre(s) to which you have access'. It contains a list of test scenarios with checkboxes. A green circle highlights the first seven items:

- A Test House for App Managers {S}, C9991
- A Test House for Staff {S}, C9990
- A Test-GHome NBL NPr rental {S}, MA20A
- A Test-GHome NBL P rental {S}, MA21A
- A Test-Group Home BL {S}, MA22A
- A Test-PRS {S}, MS20A
- A Test-Resi Institution {S}, MS21A
- A Test-Respite {S}, MS22A

Below the list, there is a text box with the instruction: 'Step 1: If you can, find and select the Client. If not ... LEAVE BLANK (i.e. 'CLEAR THIS BOX')'. A green arrow points from this instruction to a dropdown menu showing a list of test scenarios:

- TEST GHOME NBL NPRENTAL, BL INDIVIDUAL (4) DOB: 26/08/1966
- TEST GHOME NBL PRENTAL, BL INDIVIDUAL (4) DOB: 23/09/1958
- TEST GHOME NBL PRENTAL, BL STANDARD (5) DOB: 10/05/2000
- TEST GHOME NBL PRENTAL, OTHER (7) DOB: 11/05/1990

- TEST PRS, PRS (1) DOB: 12/07/1964
- TEST RESI INSTITUTION, BL INDIVIDUAL (4) DOB: 05/05/1968

A 'CLEAR THIS BOX' button is visible to the right of the dropdown. Below the dropdown, there is a text box with the instruction: 'blank and ADD the nt's details'. At the bottom, there is a 'Last name' field containing 'TEST GHOME NBL NPRENTAL'.
